# West Wilson Utility District's ServLine® Protection Programs

Effective 12/1/2015

## Leak Loss Protection Program\*

West Wilson Utility District offers protection against costly service bills caused by unexpected leaks, up to \$2,500 coverage per occurrence (1 within a 12-month period).

In the event of a costly water bill caused by high water usage due to a qualifying leak or line break, West Wilson Utility District's leak loss protection program covers the costly utility bill once the active cause of the leak has been repaired.

All eligible West Wilson Utility District customers are automatically enrolled in our optional Water Leak Loss Protection Program and charges will appear on your utility bill. Call us at 615-583-5874 to decline protection and accept full responsibility for all excess water charges caused by a leak.

### Water Leak Loss

Residential Single Occupancy.....\$1.35 per month

## Line Protection Program†

Water line repair or replacement can be costly. Help guard your home today and get up to \$10,000 per qualifying repair. Covers qualifying service line cracks or breaks occurring on your property. Covering from the property line to the foundation of your home.

You are responsible for costs associated with water line failures on your property, and everything from erosion to soil acidity to outdated practices for installing pipe can lead to issues far sooner than expected. To get your infrastructure up and running again in the event of a crack or break to your water line, we encourage you to consider optional line repair and replacement coverage.

See below for Important Coverage Information. **Call 615-583-5874.**
